DELL Technologies

WORLD'S FIRST MULTI-PORT ADAPTER
WITH INTEGRATED SPEAKERPHONE

World's first USB-C multi-port adapter with integrated speakerphone lets you connect to multiple devices and make conference calls at the same time

Sleek, compact and portable, it lets you easily pack the multiport adapter speakerphone in your bag and carry it around

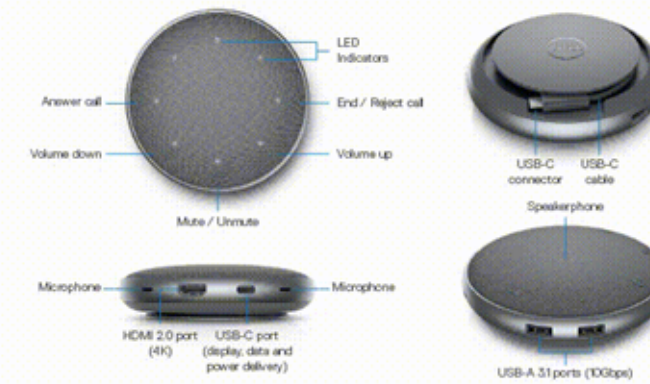

Cable management feature offers easy storage, allowing you to coil the cable around its base and tuck in the USB-C connector

Set up is fast and easy as you can instantly plug and play without having to download any software
